GUIDING PRINCIPLES

- Educational programs offered to Burnaby students should be focussed on improving student achievement and facilitating student success
- Program enhancement, program development and student choice will be guided by the board's ability to provide sustainable funding
- Operational systems and business services required to support students and schools will be maintained in an effective and efficient manner
- Available funding will be directed to supporting the objectives outlined in the Board's strategic plan and the district's framework for enhancing student achievement
- Budget allocation decisions will be based on relevant data and information

BUDGET PROCESS

- Encourage partner group participation, input and to share information publicly
- Utilise district website, public budget meetings, news bulletins, working groups
- Focus detailed reviews on service delivery models (for example: adult & continuing education, distributed learning, impact of new education curriculum, facility and maintenance services, technology, administration, etc.)
- Advanced discussions with staff regarding possible program efficiencies
- Develop key assumptions and projections to support a three year budget

BUDGET ISSUES

- Planned carry forward of projected \$5.2 million fund balance
- Balancing the 2017/2018 budget
- Budget impact of Classroom Enhancement funding
- Custodial Review Report
- Budget impact of new education curriculum – learning resources, technology, staff development
- International Education reserve – mitigate reduction of future revenues
- Continued demand for Education Assistants to meet Special Education student enrolment growth
- Future Exempt/PVP staff compensation increases
- Cost pressures - teacher increment costs, inflation on employee benefits, utilities and other supplies and services
- Although no specific reductions – some realignment of budget may be required
