1. BCSTA Provincial Council: Call for Motions

BCSTA has issued a call for motions to be presented at the next Provincial Council meeting to be held February 16-17, 2018. The deadline is Friday, January 12, 2018. BCSTA bylaw 7(l) requires that all Provincial Council motions must be emergent, i.e. “business that, if delayed until the Annual General Meeting, will impact negatively on Boards’ ability to influence public policy or a public education issue”.
