

DISTRICT LANGUAGE PROGRAM APPLICATION FORM

This form is used for students to apply for admission into a District Language Program. District Language Programs (French and Mandarin) are instructional programs that have been approved by the Board of Education and located within a designated school(s). The enrolment capacity for each district program as well as the geographic catchment area to attend these programs is established by the Board of Education. This form accompanies the district's Student Information Form for all kindergarten students applying for a District Language Program.
