Dear Families,

The Government of BC released its province-wide plan yesterday to bring students in Kindergarten through Grade 12 back into the classroom full time in September. For details on the plan announced by Provincial Health Officer Dr. Bonnie Henry and Minister of Education Rob Fleming please see:

I know you likely have many questions about what this will look like in Burnaby. While we do not have all the answers for you at this point, I want to reassure you that as we receive additional information and develop further plans, we will reach out to you. Staff are working through the summer months and actively preparing for the start of school in September.

It is important to note that we are not starting from scratch. We have learned a great deal from our very successful Summer Session where 4200 of our students returned to school. And Summer Session, itself, had the benefit of incorporating what we learned during the partial return to in-class instruction in June. Your feedback shared in the survey sent at the end of the last school year is also helping to inform our plans for the fall. As we move forward together, I am committed to providing you with as much clarity as I can on how we are operationalizing the safe return for our students and staff in September. Additionally, as available, we will continue to post updates on our website: www.burnabyschools.ca.

While we look forward to welcoming all students back in the fall, I recognize that, along with anticipation, there may be some anxiety about returning to school. Please know that we will continue to manage these challenges together, always with our priority remaining the health, safety and well-being of our entire community.

Thank you for your continued support and patience as we continue to navigate these unprecedented times. Please enjoy the sunshine and take good care of yourselves and your loved ones.

Wishing you all the very best,

Gina Niccoli-Moen, Superintendent
