How the Burnaby School District is Keeping Staff and Students Safe From COVID-19

- Health and Safety Protocols and Guidelines
- School Preparation
- District/school orientation and checklists

May 26, 2020
Public Health Measures
Includes Orders from the Provincial Health Officer, improved testing, and contact tracing.

Environmental Measures
Includes being outdoors, using visual cues for maintaining physical distance, and more frequent cleaning and disinfection.

Administrative Measures
Includes changes in scheduling and work practices, and decreased density of individuals.

Personal Measures
Includes staying home when sick, maintaining physical distance/minimizing physical contact, and hand hygiene.

Personal Protective Equipment
Includes gloves and masks.
