ALL CLASSES WILL MEET BY THEIR OUTSIDE DOORS

* PLEASE NOTE

Because we need to limit adults going in and out of the building this summer, questions to the office will need to happen by telephone or by scheduled appointment. Thank you for your understanding.
Before you come for your first day of Summer Session, here are some helpful suggestions:

1. **KNOW YOUR COURSE NAME:**
   Knowing the course you are in will make it much easier to find your classroom and teacher. You can find this information online and in your registration confirmation email.

2. **BRING BASIC SCHOOL SUPPLIES:**
   To maintain health and safety, we will not be able to share supplies as we normally would. This means that you will need to be sure to bring what you need for the day. Pencils, pencil crayons, scissors, rulers, and glue-sticks will be helpful.

3. **BRING A SNACK AND WATER BOTTLE:**
   You will have a 15 minute recess break every day, just like during your regular classes. Water fountains, however, will be off-limits. Be sure to bring a water bottle that you can refill throughout the day.

4. **BE PREPARED TO SPEND TIME OUTSIDE:**
   All classes will be spending time outside during the day. You should be prepared for sun and rain. Be sure to bring hats and sunscreen if it looks like it’s going to be sunny (and we hope it will be!)

5. **DO THE HEALTH CHECK AT HOME:**
   To ensure the health and safety of everyone at the school, it is important that you stay home from school if you have a cough or fever, if you have been experiencing nausea / vomiting / or diarrhea, or if anyone else in your home has been feeling ill. If you start to feel any of these symptoms at school, you will have to head home until you are feeling better.

6. **GET READY TO HAVE SOME FUN:**
   We have lots of fun things planned for you this summer! We can’t wait to see Nelson full of students again!
