

## SECONDARY SCHOOL FRENCH IMMERSION PROGRAM APPLICATION FORM

This form is used for students to apply for admission into a Secondary School French Immersion Program. District Language Programs (French and Mandarin) are instructional programs that have been approved by the Board of Education and located within a designated school(s). The enrolment capacity for each district program as well as the geographic catchment area to attend these programs is established by the Board of Education. For students already attending school in the district, this is the only form required to apply for a French Immersion Program.
