

DISTRICT OPERATIONS – BUSINESS SERVICES
Reporting to Public Session, Tuesday, January 25, 2022

1. 2022/2023 Budget Process Calendar

Annually, school districts are required to submit a balanced budget to the Ministry of Education by June 30. For the purposes of building plans to staff schools, the District has traditionally passed a budget before April 30 to provide enough time to enact staffing and other plans approved in the budget.

As it has in past years, the budget process will include consultation with the Burnaby Leadership Team, Partner Groups, the Burnaby District Parent’s Advisory Council and the public.

Ishver Khunguray, Deputy Secretary-Treasurer, has prepared a board report outlining the details.

Recommendation:

THAT the Board of Education approve the budget timeline as outlined below.

2. Capital Project Status Report

In alignment with the priorities set out in the Burnaby Board of Education’s 2019-2024 Strategic plan, a significant number of capital projects are active and are at various stages.

Project Planning details for Cameron and Brentwood Park Elementary Schools and Approved Projects – Planning Updates are provided for Stride Avenue Community and phase 3 childcare projects. Construction updates are summarized for the Board Office, Burnaby North Secondary, Parkcrest and Seaforth Elementary schools and for the phase 2 childcare projects, and Land Consolidation at Kitchener and Glenwood Elementary Schools are underway.

Russell Horswill, Secretary-Treasurer, has prepared a board report containing the details of all projects and their associated state.

Recommendation:

THAT the Board of Education receive this information.

Board Report

Date: January 25, 2022
To: Board of Education – Public Meeting
From: Ishver Khunguray, Deputy Secretary-Treasurer
Subject: 2022/2023 Budget Process Calendar

Introduction:

Annually, school districts are required to submit a balanced budget to the Ministry of Education by June 30. For the purposes of building plans to staff schools, the District has traditionally passed a budget before April 30 to provide enough time to enact staffing and other plans approved in the budget.

Background:

The uncertainty brought on by COVID-19, and the resulting impact to the financial position to the District, has impacted this timeline the last two budget years. In both the 2020/2021 and 2021/2022 budget years, the process was delayed with the Board approving the budget later in the Spring. At this time, we are anticipating less disruption to the budget process and are planning on going back to the traditional timeline for the budget process.

As it has in past years, the budget process will include consultation with the Burnaby Leadership Team, Partner Groups, the Burnaby District Parent's Advisory Council and the public.

Recommendation:

THAT the Board of Education approve the budget timeline as outlined below.

To: Board of Education – Public Meeting
From: Russell Horswill, Secretary-Treasurer
Subject: Capital Project Status Report

Background:

The Burnaby Board of Education's 2019-2024 Strategic Plan contains the following objectives under the key priority **“A Modern, Safe and Sustainable Learning Environment”**, Goal 2 – Develop a Long-Range Facility Plan consistent with Ministry Guidelines:

- i) Collaborate with the City of Burnaby as they update their Official Community Plan (OCP) to inform future enrolment projections.
- ii) Develop and implement a multi-year strategy to seismically mitigate all schools with a “High” (H1, H2, or H3) government rating.

A significant number of capital projects are active and are at various stages. Below is a summary of all projects and their associated state.

Project Planning

1. Cameron Elementary – Seismic/Addition with Neighbourhood Learning Centre (NLC) Area
 - Concept Plan approved by Ministry of Education
 - Project Definition Report near completion
 - Full replacement option recommended with significant incremental cost above seismic lowest-cost option
 - NLC – Childcare with Indigenous Learning Centre
 - Budget ~\$44.6 million
2. Brentwood Park Elementary – Seismic/Addition with NLC Area
 - Concept plan submitted but not approved to-date
 - Project Definition Report near completion
 - NLC – Expanded gym/community area integrated into childcare
 - City of Burnaby/Ministry of Children and Family Development (MCFD) potential childcare (\$2.9 million)
 - Budget ~\$27.7 million

Approved Project – Planning Update
