# Board Report

Date: May 30, 2023  
To: Board of Education – Public Meeting  
From: Brandon Curr, Assistant Superintendent  
Subject: 2023-2024 School Fees

---

## **Background:**

The Board of Education's 2019-2024 Strategic Plan contains the key priority “**Thriving Students**”, Goal 1 – Engage students in individualized relevant and innovative learning opportunities.

## **Introduction:**

In accordance with the School Act, the Board of Education is required to approve a schedule of student fees for the 2023-2024 school year.

## **Considerations:**

Current legislation requires that any resource that is essential to the delivery of any school course that leads to graduation is to be provided free of charge with the following exceptions:

- School supplies and equipment for personal use
- Purchase or rental of musical instruments for a student's personal use
- Participation in Specialty Academies
- School activity fees including agenda books, school clubs, special events and graduation activities
- Fees to recover the costs of optional educational activities designed to enhance any education or extra-curricular program, such as field experiences and enrichment activities

The Burnaby School District has a policy and practice of ensuring that students can participate in school activities regardless of their ability to pay.

The attached fee schedule meets the requirements of the legislation.

## **Recommendation:**

THAT the Board of Education approve the attached 2023-2024 fee schedule.
