

SUPERINTENDENT'S REPORT
Reporting to Public Session on Tuesday, March 11, 2025

1. Moscrop Sweeps the Provincial Championship

Though there have been many changes between the sport of curling that came to Canada in 1759 and today, the passion and the camaraderie is still very much the same.

Last month, the Moscrop Girls Curling Team swept their way to a provincial curling championship victory. The team, supported by Coach Shelley Brown, have been practicing and playing in events together for 3 years, since the curling team's inception at Moscrop Secondary in 2021/22. Through skill and determination, the team curled 6 matches and managed to defeat their opponents, taking home the provincial banner at the BC School Sports Curling Championships held this year in Kimberly, British Columbia.

This evening, we welcome Andy Chin, Principal, Moscrop Secondary School and the incredible student athletes from the curling team; Ella Wang, Nancy Zhao, Kianna Wong, Allison Liew and Emma Carson, who will share their experiences competing in this event.
