

Summer Session

2025

ELEMENTARY

Whether you're looking for academic enrichment, to learn a new skill, or just have fun – with dozens of options, there's something for everyone.

REGISTER ONLINE www.burnabyschools.ca/summersession

April 8 & 9: Registration opens for Aubrey, Cameron, Gilmore, Kitchener, Sperling

April 10: ALL elementary sites open for ongoing registration

▶ TUITION-FREE?

Elementary students who meet the following criteria are eligible to take **one tuition-free morning academic course**. All afternoon activity programs are fee paying.

Your child must:

- be a Canadian Citizen, permanent resident or convention refugee
- have attended a BC school in the 2024-2025 school year and ordinarily reside in BC with a parent/guardian
- have a BC Personal Education Number (PEN)

Those not eligible, or those signing up for courses requiring fees can pay by Visa or Mastercard.

NOTE: Transfers & refund requests must be made by noon on July 7.

▶ Learning Support

If your child has an Individualized Education Plan (IEP) and/or a Fraser Health Care Plan and is currently receiving additional learning support provided by an Education Assistant (EA) at school, we encourage you to complete the online registration **by May 3** to evaluate the level of support necessary for your child. Registration decisions will be made until the **middle of June**.

Please only reach out to the Summer Session office **after June 16** if you have not received information about your child's registration status.

Please Note

Course Locations & Cancellations

Courses and their locations cannot be guaranteed. Course offerings are subject to sufficient enrollment and may be moved or cancelled prior to the course date.

PRE-APPROVAL INFORMATION

IF THE FOLLOWING APPLIES TO YOUR CHILD, THEN FORMS MUST BE SUBMITTED ONLINE, FOR PRE-APPROVAL EVERY YEAR AT: www.burnabyschools.ca/summersession

- The student is new to a Burnaby public school this year and began after February 19, OR
- The student's school is outside of the Burnaby Public School District

Please be sure to have the following documents ready during the online registration process:

- Proof of student's birthdate:** birth certificate or passport
- Proof of guardianship:** parents' or guardians' as shown on birth certificate or other appropriate legal documentation such as landed immigrant papers or guardianship "order" granted by the courts
- Proof of citizenship for both parent and the student:** Canadian birth certificate, citizenship card, passport, landed immigrant document, permanent resident card
- Proof of residency of the parent/guardian and student.** Two pieces required, with at least one being from Category A:
 - ▶ **Category A:** proof of ownership of dwelling (i.e. purchase contract, property assessment, annual municipal utility/tax statement); long term lease/rental agreement; parent or guardian's income tax return or notice of assessment from Revenue Canada
 - ▶ **Category B:** BC Hydro bill, BC cable bill, provincial driver's license, provincial registration of automobile, Canadian bank account or credit card statement
- Copy of student's most recent school marks:** report card or transcript of academic record
- BC Personal Education Number (PEN)**
- IEP (Learning Support, if applicable)**

Upon approval, you will receive notification about your eligibility to register for Summer Session courses with the Burnaby School District.

MORNING - Academic Course Descriptions

ONE TUITION-FREE ACADEMIC COURSE PER ELIGIBLE STUDENT

Eligible Students: Tuition Free | Fee Paying Students: \$665

▶ **Adventures in Music**

Come and spend your mornings playing with music! A variety of methods will be used to learn music. You will play musical games outside and then come inside to play rhythms and melodies on a variety of instruments.

▶ **Adventures in Reading**

Develop an appreciation for the enjoyment of literature, increase confidence with printed word, and explore different types of genres as you journey into the world of reading.

▶ **Art**

These classes are teacher specific and will vary in content depending on the passion of the teacher. Projects may include drawing, painting, printmaking, image development, stitch work, clay work, or sewing.

▶ **Bandlab**

This course focuses on teaching essential skills in recording, beat-making, and music creation, utilizing Bandlab or Digital Audio Workstation (DAW). The program will provide students with a beginning foundation in digital music and audio production.

▶ **Beginner Ultimate Frisbee**

Come and learn a game you can play for the rest of your life! The focus will be on physical wellness, sportsmanship and learning basic skills to play Ultimate Frisbee. Be prepared to be outside running everyday!

▶ **Beginner Guitar**

Learn the basics of playing an acoustic guitar. Learn how to play chords, count rhythms and beats, and how to pick notes as you work to perform a number of pop songs.

▶ **Brain Gymnastics - French Immersion**

Only students currently enrolled in a French Immersion program are eligible for this course as all instruction will be in French. Give your brain a fun workout every day! Learn strategies to see fascinating puzzles from different perspectives and find creative solutions to interesting challenges.

▶ **Clay Creations**

This course will engage students in the basics of hand-building clay. Students will learn the techniques of pinch, coil, and slab work. This hands-on program will allow children to flourish creatively, while practicing patience.

▶ **Comic Creation**

This course is intended to spark students' love for writing by exploring the popular medium of comic creation! Students will learn about key parts of effective comic strips.

▶ **Cooking**

In this course, students will be learning to cook or bake a variety of sweet and savory dishes. In addition, the students will practice and learn about different aspects of healthy eating.

MORNING - Academic Course Descriptions

ONE TUITION-FREE ACADEMIC COURSE PER ELIGIBLE STUDENT

Eligible Students: Tuition Free | Fee Paying Students: \$665

▶ **Creative Crochet for Kids!**

This fun and engaging course introduces children to the wonderful world of crochet. Through hands-on projects and easy-to-follow instructions, kids will learn the basics of crochet, develop fine motor skills, and discover the joy of creating their own handmade items.

▶ **Dungeons & Dragons**

Come and be introduced to the world of Dungeons and Dragons through creative writing, cooperative play, art, math, and problem-solving. Students will create their own characters and story worlds, craft maps and miniatures, and work together to solve challenges in a fun and engaging environment.

▶ **Engineering**

If you enjoy hands-on engineering projects this course is for you! You will design and build creative solutions to various challenges using common hand tools in a safe and creative environment.

▶ **Exploring Science (Primary & Intermediate)**

Students in both the primary and intermediate programs will have fun while learning scientific principles and methods through a number of hands-on exploratory activities.

▶ **Fibre Arts & Design**

In this course students will explore a series of fibre related activities which may include spinning wool, sewing, felting, crocheting and design thinking. Students will engage in creative and cooperative challenges and will develop hands-on skills in several areas.

▶ **Floor Hockey**

Join others in learning the skills to be successful at floor hockey. Learn stick work and team play as you work with others in a semi-competitive environment. Come prepared to do a lot of running!

▶ **GarageBand**

Are you interested in the world of sound production and music creation? Do you want to learn how to record your own songs and share them with others? If so, this course on GarageBand is perfect for you!

▶ **Get Ready for Grade 1**

Students who have **completed** Kindergarten can participate in this hands-on course which is designed to stimulate minds in playful ways through engaging activities in a social setting.

▶ **Get Ready for Grade 1 - French Immersion**

Students who have **completed French Immersion** Kindergarten can participate in this hands-on course which is designed to stimulate minds in playful ways through engaging activities in a social setting.

▶ **Get Your Game On!**

In this course students will play a variety of boardgames (word games, strategy games, cooperative games, role-playing games). Students will develop their communication skills as well as engaging in growing their personal and social responsibility.

MORNING - Academic Course Descriptions

ONE TUITION-FREE ACADEMIC COURSE PER ELIGIBLE STUDENT

Eligible Students: Tuition Free | Fee Paying Students: \$665

▶ **Hip Hop**

Come and learn about the rich culture of Hip Hop. Language Arts, Art, Physical Education, Math, Social Studies, and Social-Emotional Learning will be presented through activities like rapping, dance, creative art, and music.

▶ **iPad Adventures & iPad Explorations**

Come and learn some of the amazing things you can do with an iPad. You will look at the various functions and possibilities of the iPad to help you get more out of your experience working on this amazing device.

▶ **Maker Space**

Come and be creative using found or repurposed materials to make a variety of structures, creative art pieces, and other original ideas. Students will be able to construct creations using their imagination in the design process.

▶ **Mandarin Storytime**

All Mandarin levels are welcome. Students do not need to have any Mandarin background. Have fun learning vocabulary, phrases, and short dialogue through play, art, and storybooks.

▶ **Nature Explorations**

Come and discover all the fascinating things that can be learned outdoors. Through an integrated approach to learning, students will develop an understanding of the connections found in nature.

▶ **Photography**

Learn to work with an iPad. You will take pictures you will be proud of. Learn how to shade, light, frame and other techniques to improve the quality of the pictures you take.

▶ **Primary French**

For students who are currently enrolled in a French Immersion program, this course will continue a variety of fun activities presented in French. **STUDENTS MUST HAVE BEEN ENROLLED IN A FRENCH IMMERSION CLASSROOM DURING THE 2024/2025 SCHOOL YEAR.**

▶ **Rec & Read**

Students will enjoy a wide variety of reading activities while also enjoying a variety of activities in the great outdoors.

▶ **Rec & Read - French Immersion**

This exciting new course is for **French Immersion students in Grades 5-7** who enjoy staying active, being creative, and exploring the outdoors. Students will strengthen their French reading and comprehension skills and participate in dynamic activities that include sports, art, and teamwork challenges.

▶ **Robotics & Design and VEX IQ**

Using VEX IQ robots students will build and program robots. This class will focus on robot building, technology, teamwork, and thinking skills.

MORNING - Academic Course Descriptions

ONE TUITION-FREE ACADEMIC COURSE PER ELIGIBLE STUDENT

Eligible Students: Tuition Free | Fee Paying Students: \$665

▶ **Robotics - Scratch/Sphero**

Using Scratch online coding and Sphero & Beebot robots, students will work in teams to solve problems, do online animation, program and use robots.

▶ **Rock Band**

Rock out this summer! Play, sing and perform your favourite rock and pop songs. We provide everything you need – guitars, bass, keyboards, drums and microphones for singers!

▶ **Sewing**

Learn the basics of hand or machine sewing in this teacher specific course. Projects will be fun, engaging and practical, and introduce students to the creative world of sewing.

▶ **Sports & Rec**

Continue to develop your physical abilities through a variety of athletic activities. Skill development, game strategy, physical fitness and recreation opportunities will help you hone your athletic skills.

▶ **Uke Got It! Ukulele**

Students will be introduced to the soprano ukulele, learning how to fingerpick songs and play chords. The repertoire will consist of pop music and include songs featuring both boom whackers and ukulele.

Ukuleles will be provided; Ensemble jam sessions, and fun educational games included!

▶ **Woodworking**

Work with an experienced instructor to create a project or two from scratch. This course will involve working with saws and other tools under supervision of an instructor.

Please Note: full attendance is required

Students should bring a lunch if staying for the morning and afternoon. Supervision is provided.

AFTERNOON - Activity Program Descriptions

REQUIRED TUITION: \$350 | INTERNATIONAL STUDENTS: \$665

▶ **Advanced Fibre Arts**

Expand your ability to work with a variety of different fibre related materials to explore activities at a deeper level than our beginners course offered in the morning. Students will work through the design process while engaging in creative and cooperative adventures.

▶ **Basketball**

Hone your basketball skills in a fun, focused environment. Open to both experienced players and new beginners – but be prepared to work hard as you develop your skills!

▶ **Drama/Musical Theatre**

Are you interested in drama and improv? Participating in a play or musical? Students will have an opportunity to build their own sets and props during art activities and perform in their own play or musical.

▶ **Electronics**

Students will have the opportunity to work with 3D printers, robots, digital photography, and Arduino, along with a variety of other electronic gear to make electronics projects. Students will design and build a variety of projects.

▶ **Engineering and Machines**

This course will have students take part in hands-on mechanical engineering activities. Projects will use simple tactile materials and incorporate the fundamentals of simple and complex machines.

▶ **Enrichment Art**

This program offers flexibility, differentiated instruction, community building, skill building and self-discovery through visual arts, while incorporating some “outside the box” opportunities for arts exploration.

▶ **Hyped Up Sports**

This gym program is designed to make physical education fun, inclusive, and engaging for all students. Elements of individual expression, music, and sportsmanship will be incorporated. The highlight is a unique format where students compete in games with personalized entrance music, fostering excitement and a sense of individuality.

▶ **Minecraft**

Explore the best-selling computer game of all time while you learn about programming, as you acquire resources to build the world and maintain health.

AFTERNOON - Activity Program Descriptions

REQUIRED TUITION: \$350 | INTERNATIONAL STUDENTS: \$665

▶ **Movie Making**

Use iPads to create short films! This class will be like a film school where students learn how to cut and edit, storyboard, add visual and audio effects and how to present a variety of types of information and emotions.

▶ **Music Production**

This beginner-friendly music production course introduces students to the fundamentals of digital music creation using GarageBand or Band Lab for Education. Students will explore musical elements to shape style, mood, and impact.

▶ **Sewing & Fashion Design**

Unleash your creativity by designing your own clothes using sewing machines. Students will learn to construct a garment with different type of fabric and how the choice of specific fabric affects the overall aspect of a design.

▶ **Ultimate Frisbee**

Come and learn a game you can play for the rest of your life! The focus will be on physical wellness, sportsmanship and learning basic skills to play Ultimate Frisbee. Be prepared to be outside running everyday!

▶ **Visual Arts**

Students will have the opportunity to work with a variety of teacher specific materials to make creative and functional artwork pieces. Materials could include clay, playdough, sewing or knitting materials, wood, etc.

▶ **Woodworking II**

Work with an experienced instructor to create projects from scratch. This course will involve working with saws and other tools under the supervision of an experience instructor.

Please Note: full attendance is required

Students should bring a lunch if staying for the morning and afternoon. Supervision is provided.
